Event communication

Some event dates might move from a Friday to Saturday depending on the loadshedding schedule. The schedule for the first two events was consulted and these look to be locked in. The **WP track Whatsapp group is the official medium of communication from WP track**. Please be sure to join it to keep up to date with any announcements:

Event costs

Scholars u11 to u17 = R150 entry fee

Juniors and older = R200 entry fee

Spectators = R20 cash gate fee (wrist bands will be issued at door)

All entered riders qualify for free spectator entry for up to 5 family members and friends – we encourage riders to bring their full quota to also showcase our lovely sport to more people.

Registration and entry

- All riders need to complete and submit the indemnity and waiver. Parents/guardians to approve and submit consent form
- Pre-entry only. No late entry. POP and rider detail to be mailed to track@wpcycling.com
- Entries close on the Tuesday before the event – This allows the start list and program to be locked down and ensures a smooth event.

- Riders/managers to present a copy of their **active CSA membership** on sign-on. Membership number not acceptable; only an **actual copy of the membership** i.e. a printout or digital image on phone is acceptable.

A rider will only be able to start if the above 4 points are in place.

Race numbers

All riders will be issued their own unique race number which they will keep for the whole series.

Thanks to our sponsors for enabling this. Lost numbers will be replaced at a cost for R100 each.

League

There will be a league table for the following categories:

Top club/team

This competition is based on team sprint, team pursuit and Madison. Second year u17, junior, elite and older may represent the club/team. All riders to be in the same team kit, same club/same kit to score points for the club. 2 events for each of the disciplines.

Clubs/teams receive points in each race: 1st: 6pts 2nd:5pts 3rd: 4pts 4th:3pts 5th:2pts 6th: 1pt

Teams score individually so if a club enters two teams then the A-team points will count for the A-team and the B-team for the B-team (not combined).

The club/team with the most points at the end of the league takes the win. If equal then the club/team that won the last race takes the win.

Individual league competition

There will be 3 races per event per category. Some categories will race together, but will be scored separately i.e. Women's/masters and scholars

Riders receive points as such in each race: 1st: 6pts 2nd:5pts 3rd: 4pts 4th:3pts 5th:2pts 6th: 1pt

Points are added up at the end of the evening to determine the ranking on an omnium basis. If equal then the rider that won the last race takes the win.

The omnium points then count to the league: 1st: 6pts 2nd:5pts 3rd: 4pts 4th:3pts 5th:2pts 6th: 1pt

All riders that race also receive 1 attendance point per league.

Individual categories are as follow:

Category A men – Junior, elite and masters (not riding in masters competition)

Category B men – U17 boys. Junior, elite and older (not riding in category A or masters competition) may also ride in category B. This is to allow newer riders to gain experience before moving to cat A.

Women – Junior, elite and masters

Masters – Men UCI category 35+

Scholars categories – U11 boys, U13 girls, U13 boys, U15 girls, U15 boys, U17 girls

Prize fund / trophies

Profits from the events will go towards the league prize fund.

Prize giving ceremony to take place once final league table has been audited and published.

Current holders of floating trophies to return them to Jaco Scholtz by August 2023.
